COVID-19 and measures that affected tourism statistics

On March 15, 2020, the Ministry of Health, at the proposal of the Institute of Public Health of Montenegro and based on the Law on Protection of the Population from infectious diseases, issued an order to take temporary measures to prevent the introduction of new coronavirus (COVID-19), which refers to the ban on the provision of catering services in hotels, except for registered guests.

The National Coordination Body for infectious diseases has agreed on several occasions to extend the above measure which was valid until 18 May 2020.

According to Regulation 692/2011 on European Tourism Statistics quarantine accommodation is not included in the scope of the survey.
