METHODOLOGICAL NOTES

The data on primary education in this release refer to the end of school year 2024/2025, and they are results of statistical processing of the Ministry of Education, Science and Innovation (MEIS).

The statistical survey covered all primary schools, regardless they are central primary schools or separate departments, that work in accordance with the programme of the competent Ministry.

School year is a period within which the regular classes are given and other types of educational work. School in the education statistics is a group of pupils organised in one school unit, with one or more teachers giving classes of certain type by defined programme of instruction, regardless the school is independent, regional department or department in other type of school. School is also considered a territorially separate unit in the composition of primary school.

Children with special educational needs: children with physical, mental and sensor difficulties behaviour disturbance; severe chronically diseases; emotional disturbances; combined difficulties; long time ill children and other children having difficulties in studying who need education according to educational program with adjusted teaching performance and additional professional assistance or special educational program.

When using the data, state: "Data source: Statistical Office of Montenegro - MONSTAT"
