Tourists do not include migrants, border workers, diplomats, member of military forces in the regular duty, refugees, etc. Tourists are not persons who stays longer than 12 consecutive months in place visited, persons engaged in some activity funded from the place of the visit, persons who regularly, daily and weekly travel to the place for work or study, migrants, border workers, diplomatic and consular representatives, refugees, displaced persons, persons in transit who do not formally enter the country, permanent residents who travel to another place with the intention to reside there permanently, people who are temporarily working in Montenegro and receive a salary for their work.

Domestic tourist is a person with permanent residence in Montenegro who temporarily resides in any place of Montenegro, and spends at least one night in accommodation facility.

Foreign tourist is a person with permanent residence outside Montenegro, who temporarily resides in any place in Montenegro, and spends at least one night in an accommodation facility.

The last published data are considered **preliminary**, and becomes final within the defined deadline, as foreseen by the Statistical Release Calendar.

### **COVID-19 and measures that affected tourism statistics**

On March 15, 2020, the Ministry of Health, at the proposal of the Institute of Public Health of Montenegro and based on the Law on Protection of the Population from infectious diseases, issued an order to take temporary measures to prevent the introduction of new coronavirus (COVID-19), which refers to the ban on the provision of catering services in hotels, except for registered guests.

The National Coordination Body for infectious diseases has agreed on several occasions to extend the above measure which was valid until 18 May 2020.

According to Regulation 692/2011 on European Tourism Statistics quarantine accommodation is not included in the scope of the survey.
