METHODOLOGICAL NOTES

The data in this release are a result of regular annual statistical surveys.

Data on students who have completed postgraduate studies are collected through individual statistical questionnaires "Statistical paper for magistrates of science and specialists" (SV-80), data on doctors of science are collected through individual statistical questionnaires "Statistical paper for doctors of science" (SV-70), except for the University of Montenegro where the data for 2022 is taken from the Centre information system based on the signed Agreement on Cooperation.

Statistical activity includes all higher education institutions, both public and private. The data on students enrolled at postgraduate (specialist studies and master studies) and doctoral studies refer to academic year.

Pursuant to the Law on Higher Education, there are three levels of higher education: undergraduate studies (basic studies), postgraduate studies, and doctoral studies.

Postgraduate studies may be organised as: specialist studies and master studies.

Postgraduate specialist studies runs for one study year, i.e. two semesters.

Postgraduate master studies usually runs two study years, four semesters after basic, i.e. a year after specialist studies.

Doctoral studies are realised in duration of three study years, i.e. six semesters.
