### NOTE

End, go to the List of Persons
LIST OF PERSONS (situation as on 31 October 2023, at midnight)

The list of persons should be entered with all household members, regardless of whether they are present in the place of residence or absent for work, study or other reasons. One-person household should be also entered (household consisting of only one member). The household members should be entered within their closer families, i.e. members of the first family should come first (parents and then children), and then members of other family (if there are more in the household), and so on.
