**Subject: Population Census in Montenegro**

**Ref.: Your letter “01-053/23-3926/1” dated 19 October 2023**

Dear Mr Pejović,

Thank you for your letter of 19 October 2023.

The population and housing census is an exercise conducted under the responsibility of each country's own authorities. Decisions about the timing of conducting the census are also taken by the national authorities.

As I wrote in my letter of 6 October 2023, it is crucial that your office executes this important statistical exercise in a professional and independent manner.

Please allow me to wish you once again a successful implementation of the population and housing census in Montenegro.

Yours sincerely,

(eSigned)  
Mariana Kotzeva
