METHODOLOGICAL NOTES

The data on juvenile perpetrators of crimes are collected by the regular statistical surveys, on the basis of individual statistical questionnaires filled by competent state prosecutor's offices (basic and high) and competent courts (basic and high). Statistical surveys cover juvenile perpetrators of crime.

Reported juvenile is an underaged person against whom legal proceedings have not been initiated (criminal charges dropped), and against whom preparatory proceedings are suspended or the charge motion submitted to a juvenile court for pronouncing a sentence or correctional measures.

Accused juvenile is an underaged person against whom a charge motion was submitted to a juvenile court for pronouncing a sentence / measures, and the proceedings have been concluded by a court decision according to which: proceedings at the juvenile court were suspended; security measures brought without imposing criminal sanctions, sentence to a juvenile prison pronounced or correctional measures imposed.

Convicted person is person pronounced guilty and against whom following criminal sanctions have been imposed: punishment or corrective measures.

Juvenile perpetrators of a crime are persons who reached the age of 14, but not yet 18 at the time of committing the crime.
