

Enrolment at postgraduate studies and doctoral studies Academic year 2011/2012

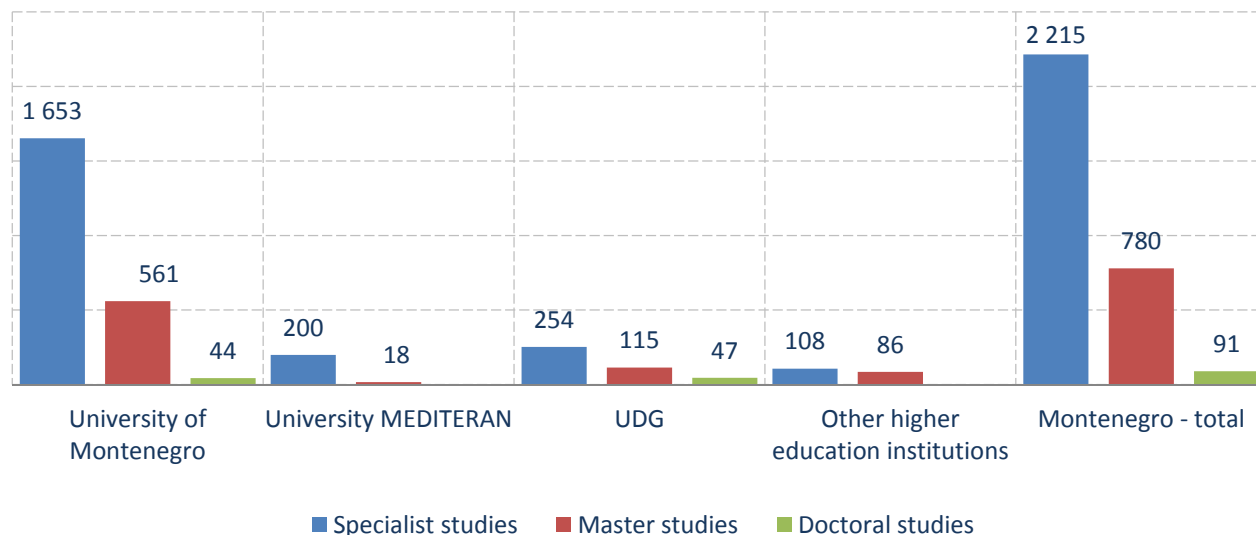

In academic year 2011/2012, there were 2 995 students enrolled at postgraduate studies as the following: 2 215 at specialist studies, 780 at master studies, and share of females is 62%.

Increase in number of students enrolled at specialist studies in comparison with previous academic year is 18%. Of the total number of students enrolled, the most, i.e. 75% were enrolled at the University of Montenegro, 11% were enrolled at University of Donja Gorica, 9% were enrolled at University Mediterranean, and 5% were enrolled at other higher education institutions.

There are 780 students enrolled at master studies, which is 27% less than in previous academic year 2010/2011. Of those, 72% were students enrolled at master studies of the University of Montenegro. Females accounted for 64% enrolled at master studies, while 36% were males.

There were 91 students enrolled at doctoral studies, of those 53% were females.

Enrolled students to postgraduate studies and doctoral studies Academic year 2011/2012

METHODOLOCAL NOTES

The data in this release are a result of regular annual statistical survey.

Statistical activity includes all higher education institutions, both public and private. The data on students enrolled at postgraduate (specialist studies and master studies) and doctoral studies refer to academic year.

Pursuant to the Law on Higher Education, there are three levels of higher education: undergraduate studies (basic studies), postgraduate studies, and doctoral studies.

Postgraduate studies may be organised as: specialist studies and master studies.

Postgraduate specialist studies runs for one study year, i.e. two semesters.

Postgraduate master studies usually runs two study years (1+1), i.e. four semesters after basic, i.e. a year after specialist studies. Persons having previously finished basic studies have the right to enrol postgraduate studies.

Doctoral studies at the University of Montenegro are realised in duration of at least three study years, i.e. six semesters. Qualification for the enrolment at doctoral studies is master studies previously finished.
