*- Registrovani u Zavodu za zapošljavanje su podaci prema odgovoru ispitanika. Prema rezultatima ankete u svakom regionu registrovani nezaposleni odgovaraju broju lica koja ostvaruju zdravstveno osiguranje kao nezaposleni i registrovani su kod Fonda zdravstva.

*- Registered in Employment Agency as reported by respondents. According to the LFS results, in each region the number of persons who consider themselves registered unemployed equals the number of persons who are considered as registered unemployed by the Health Fund.

Osnovne definicije

U Anketi o radnoj snazi stanovništvo staro 15 i više godina prati se prema aktivnosti u posmatranom kvartalu, a ne prema formalnom statusu anketiranih lica.

Pod pojmom **zaposleni** u ovoj anketi podrazumijevaju se lica koja obavljaju bilo kakav posao za zaradu ili profit tokom sedmice snimanja, čak i manje od sat vremena. Plaćanje uključuje uplate u gotovini ili "plaćanje u naturi" (plaćanje robom ili uslugama), bez obzira da li se plata dobija u sedmici kada je posao odraden ili ne. Takođe se računaju i lica koja dobijaju zaradu za **obuku na poslu (pripravnici i šegrti)** koja uključuje proizvodnju roba i usluga. **Samo-zaposlena** lica sa biznisom, farmom ili profesionalnom praksom, takođe se smatraju zaposlenim ako se primjenjuje nešto od sledećeg:

Lice radi na svom poslu, profesionalnoj praksi ili drži farmu za svrhu zarađivanja profita, čak i ako preduzeće ne uspijeva da ostvari profit;

Lice provodi vrijeme na obavljanju posla, profesionalne prakse čak i ako nema prodaje, nije obavljalo profesionalne usluge ili ništa nije proizvedeno (npr. Farmer koji radi na aktivnostima održavanja farme; arhitekta koji provodi vrijeme čekajući klijente u kancelariji; ribar koji popravlja brod ili mreže za budući rad; lice koje pohađa seminar).

Lica koja su u procesu formiranja svog posla, profesionalne prakse ili farme, kao što je kupovina i montiranje opreme, iznajmljivanje prostorija ili kupovina materijala za početak novog posla.

Lica koja rade na svojoj **poljoprivrednoj farmi** smatraju se zaposlenima ako su radila tokom sedmice snimanja. Lica koja rade na svojoj **maloj poljoprivrednoj farmi**, a prodaju svoje poljoprivredne proizvode takođe se smatraju zaposlenima.

Lice koje nije radilo ali je imalo posao sa kojeg je bilo privremeno odsutno tokom sedmice snimanja smatra se zaposlenim.

Porodični radnici su lica koja su pomagala drugom članu porodice u vođenju porodičnog posla ili poljoprivrednog gazdinstva a da, pri tome, nijesu bila plaćena za taj rad i pod uslovom da se ne smatraju zaposlenima.

Pod pojmom **nezaposleni** podrazumijevaju se lica koja tokom nedjelje snimanja (nijesu imale plaćeno zaposlenje ili samo-zaposlenje i nijesu obavljala nikakav plaćeni posao);

su tokom predhodne četiri nedjelje aktivno tražili posao (preduzeli korake da traže plaćeni posao ili samo-zaposlenje);

su bili dostupni za rad (u okviru 2 nedjelje)

Lica koja su našla posao koji treba da počnu kasnije uključuju se u nezaposlena lica.

Aktivno stanovništvo (radnu snagu) čine sva zaposlena i nezaposlena lica stara 15 i više godina.

Neaktivno stanovništvo čine sva lica stara 15 i više godina koja nijesu svrstana u aktivno stanovništvo.

Stopa aktivnosti predstavlja procenat aktivnog stanovništva u ukupnom stanovništvu starom 15 i više godina.

Stopa zaposlenosti predstavlja procenat zaposlenih u ukupnom stanovništvu starom 15 i više godina.

Stopa nezaposlenosti predstavlja procenat nezaposlenih u ukupnom broju aktivnih stanovnika.

Stopa neaktivnosti predstavlja procenat neaktivnog stanovništva u ukupnom stanovništvu starom 15 i više godina

Objašnjenje znakova

CV: Standardna greška procjene kao procenat procjene.

Basic definitions

In the Labour Force Survey, the population aged 15 and above is viewed according to the activity in the reference quarter, and not according to the formal status of surveyed persons.

*The term **employees** in the survey refer to persons who perform any work for wage or profit during the reference week, even for as little as one hour. Pay includes cash payments or "payment in kind" (payment in goods or services rather than money), disregarding whether the payment was received in the week the work was done or not. Persons who receive wages for on-the-job training (apprentices or trainees) are also considered as employees. **Self-employed persons** with a business, farm or professional practice are also considered to be working if one of the following applies:*

A person works in his own business, professional practice or farm for the purpose of earning a profit, even if the enterprise is failing to make a profit;

A person spends time on the operation of a business, professional practice or farm even if no sales were made, no professional services were rendered, or nothing was actually produced (for example, a farmer who engages in farm maintenance activities; an architect who spends time waiting for clients in his/her office; a fisherman who repairs his boat or nets for future operations; a person who attends a convention or seminar).

A person is in process of setting up a business, farm or professional practice, such as the buying or installing of equipment, renting the office or ordering of supplies in preparation for opening a new business.

*A person who works on its own **agriculture farm** should be considered as employed if worked during the reference week. A person who works on its own **small agriculture farm**, and sell their products are also considered as employees.*

A person who was not working but had a job or business from which he/she was absent during the reference week is considered as employee.

*A **family worker** is a person who assisted the other member of the household in running family business or agricultural holding, without receiving any formal pay, and providing that they not considered themselves as employed.*

*The term **unemployed** refers to persons who in the reference week did not work (not in paid employment or self-employment and did not do any paid work);*

in the past four weeks were actively seeking work (specific steps were taken to seek paid employment or self-employment);

were currently available for work (within two weeks)

Persons who had found a job to start later are also included among unemployed persons.

***Active population** (labour force) include all employees and unemployed persons aged 15 and above.*

***Inactive persons** are those, aged 15 years and over, who are not classified as persons in employment or as unemployed persons.*

***Activity rate** represents the percentage of active population in the total population aged 15 and above.*

***Employment rate** represents the percentage of persons in employment in the total population aged 15 and above.*

***Unemployment rate** represents the percentage of unemployed persons in the total active population.*

***Inactivity rate** represents the percentage of non-active population in total population aged 15 and above.*

Explanation of symbols

. not zero but extremely inaccurate estimation (CV>=30)
(()) inaccurate estimation (20<=CV<30)
() less accurate estimation (10<=CV<20)
CV: Standard estimation error as the percentage of estimate.
